EYE CARE IN KENYA

For our [May 14th](#) meeting we will be pleased to welcome Dr's Mark Bourdeau and Aisha Cheng who are Principal Partners with the Peninsula Lifetime Eye Care centre in Sidney.

Mark and Aisha will be talking on, and illustrating their work and experiences in eye care clinics in Kenya on their recent mission with Canadian Vision Care. CVC is a registered national charitable organization whose volunteers, since 1981, have carried out primary and surgical eye care for hundreds of thousands of individuals in over a dozen undeveloped countries around the globe.

From Your President

We are now well into spring – with the good weather coming up, it's the time to get out and enjoy our beautiful region. However, don't forget that our Probussidney programs continue throughout the summer, with interesting speakers and events – and remember to save the date for our summer barbeque in August. Some of you may not know that, thanks to the outstanding work of Bob Witzel, we now have a fully functioning website. Pay it a visit at probussidneybc.ca and give us your feedback.
